A Distinguished Citizen

Manuel Cervantes received a Distinguished Citizen Citation from Macalester President Brian Rosenberg and Alumni Association President Jennifer Lundblad June 5, 2004. (Photo, Steve Woit)

City Attorney, Manuel Cervantes, was awarded the Distinguished Citizens Citation by the Macalester College Alumni Association on June 5th at the Weyerhaeuser Memorial Chapel. This award recognizes alumni who have exercised leadership in civic, social, religious and professional activities for unselfish and effective service to the community, the nation and the world.

Cervantes was the first of seven children in his family to graduate from Macalester, and was inspired by President Lyndon Johnson's "Great

Society" programs on behalf of the poor and disenfranchised. Throughout his career he has given back to the community and has served as a paralegal for indigent clients, as a labor-management attorney for the American Federation of Government Employees in Minneapolis, an assistant city attorney of Saint Paul, a judge on the Minnesota State Workers' Compensation Court of Appeals, and as a Ramsey County District Court referee, acting as a judge in civil cases and disputes that come before juvenile and family courts.

Please print this for your co-workers. The City is continuing to save money by not producing printed copies of the City Update, but still needs to communicate to all employees. Please help by printing this newsletter (preferably back-to-back) for workers in your area who do not have computer access. Thank you.
